

DR. MONICA LARSON

HENDERSON CITY COUNCILWOMAN WARD 2

FEBRUARY 2026 NEWSLETTER

I love the diversity of our city! It was my deepest honor to celebrate Tết Nguyên Đán, the Lunar New Year, alongside the vibrant Las Vegas Vietnamese Community, and to welcome the Year of the Fire Horse with unbridled joy. Tết embodies a profound significance that transcends mere celebration; it is a sacred period of rejuvenation, introspection, and hopeful anticipation. This festive occasion offered a precious chance to pay tribute to heritage, fortify family ties, and stride confidently into a future radiant with possibilities. As we usher in the Year of the Fire Horse, may it bring forth luminous dreams, invigorated vitality, and boundless prosperity to every doorstep. May this new year overflow with wellness, prosperity, and serenity for all. Chúc Mừng Năm Mới!
