

DR. MONICA LARSON

HENDERSON CITY COUNCILWOMAN WARD 2

APRIL 2026 NEWSLETTER

In the upcoming 2026 June Primary Election, Henderson residents will decide whether to renew the existing 12-cent per \$100 of assessed value property tax that funds our parks, recreation programs and community services.

This is not a new tax. Residents already pay it today. The average homeowner spends \$120/year currently and this would stay the same. Your “yes” vote renews funding that covers about 40% of the Parks and Recreation Department’s budget—your 12 cents per \$100 of assessed value stays in Henderson to fund local parks and recreation.

Join me in voting YES on Question 1.
